

WHITEWOOD

PUBLIC NOTICE ON SNOW CLEARING & PARKING OF VEHICLES

The Town of Whitewood hereby requests that anyone who is performing snow removal, **KEEP THE SNOW ON THE ACTUAL PROPERTY THAT IS BEING CLEARED,** and note that the land between the street and the property line of your property is required for the removal of snow from the Town roadway, please request permission from the town office before placing the snow on Town land.

Further, entrances to driveways will be cleared of snow when equipment and manpower are available, and there are no other priority duties. Please note that this is a free courtesy service only, and does not relieve the owners from the responsibility of looking after their driveways. Private operators are available on a paid basis.

Also, note that Council wishes to remind residents that the Town of Whitewood Traffic Bylaw prohibits the parking of any vehicle (including campers), on the street for 24 hours. Would appreciate after snowfall to please remove all vehicles and garbage bins from the streets to help with snow removal.
