### Old Business / Committee Reports:

**Segment Improvement Strategy:** Improving the driving conditions of segments (50 m to 5000 m) is the purpose of this reporting. EWC members are asked to identify and report segment areas requiring improvement and forward their submissions to Alan Lindsay or bring to a meeting.

**Note:** Any Segment Improvement Strategy within a Call for Projects does not affect the Call for Projects nomination, and as these are 'grassroots' submissions, a Segment Improvement request carries weight with MoH. There is no deadline for Segment Improvement submissions, nor is there a limit to the number of segments that can be submitted.

**Jct. 9 and Township Road 80 south of Carlyle:** The letter from the Town of Carlyle regarding the traffic congestion at this intersection was sent to Alan Lindsay and will be forwarded to Gord Haines who will bring it to the attention of the TED Group for consideration of possible speed reduction or turning lanes to reduce the traffic congestion.

**RM of Elcapo's Request for SETPC to Undertake a Road Management Plan of Hwy #47:** A response was sent to the RM of Elcapo explaining the role of the SETPC; that it has been discussed directly with Hon. Lori Carr at the January meeting, as well with the District Operations Manager, Gord Haines; and that it has been nominated as a "Call for Project". The maintenance will continue to be monitored.

**ATPC Meeting:** John Brownlee gave a brief recap of the Chair Meeting he attended on behalf of James Trobert in Saskatoon on April 4th.

### ROAD UPDATES:

- MoH Alan Lindsay – Absent.
- DIV 1 (Rural) Kelvin Luedtke – Nothing new to report.
- DIV 1 (Urban) John Brownlee – The transverse cracks on Hwy 13 through Carlyle are severe. Gord Haines replied that there is a plan in place to address this issue but no start date has been set.
- DIV 2 (Rural) James Trobert – Nothing new to report.
- DIV 2 (Urban) Lindsay Clark – Nothing new to report.
- DIV 3 (Rural) Chris Baran – Nothing new to report.

Chairman \_\_\_\_\_ Secretary \_\_\_\_\_ Date \_\_\_\_\_

- DIV 3 (Urban) Don Johnson – a) Happy to hear that Hwy 47 (gravel) will receive attention; b) Hwy 48 between Kipling and Windthorst requires work. Gord replied that there is a plan for sealing of this stretch of Hwy 48.
- DIV 4 (Rural) Dale McAuley – a) Hwy 308 from Welwyn to the Manitoba Border is experiencing cracking allowing water to enter the road surface; b) Manitoba trucks are speeding on Hwy 308 (secondary weight road). Is there anything that can be done, such as speed cameras, etc? Discussion of the committee suggested contacting the RCMP as cameras for speed are not within the jurisdiction of MoH; c) Has there been a contract awarded for addressing the water issue on Hwy 9 north of Whitewood through the Qu'Appelle Valley? Gord responded that he has spoken to the DOM of Yorkton regarding this issue but is not aware of the contractor dealing with the water issue, aside from the paving contractor which is Venture Construction. The committee will reach out to Yorkton DOM, Lyndon Martin; Project Manager, Courtney McCrae; and the Chair of the ECTPC to acquire this information; d) The drainage issue in the right-of-way on Hwy 8 south of Moosomin has improved immensely due to farmers in that area cleaning up debris.
- DIV 4 (Urban) Greg Nosterud – a) Questions regarding Hwy 8 north of Moosomin were answered; b) Kudos to Dale McAuley for his persistence with improving the drainage on Hwy 8 south of Moosomin. It is greatly improved; c) Hwy 1, Whitewood to the Manitoba Border in the eastbound lanes have breaking pavement in the center. MoH has a plan to address this issue and the spots have been marked. The contractor should start from mid to late May; d) Hwy 1 Functional Study noted in "On the Radar" is still ongoing and is holding up progress in the Town of Moosomin.

Other Member Representatives:

Kevin Kay, Town of Wawota – a) The snow removal over the past winter on Hwy 48 was very well done and much appreciated; b) Bekavar Wind Project is behind schedule which will affect the highway traffic from the project site to Wawota longer than originally anticipated; c) The Fibre Optic program is also affecting the Town of Wawota and surrounding road system.

**ITEMS 'ON THE RADAR' – See Schedule A (attached):** Updated

**CALL FOR PROJECTS** – Currently paused and MoH is implementing changes.

**ECONOMIC DEVELOPMENT UPDATES:**

- DIV 1 (Rural) – Kelvin Luedtke: Nothing new to report.
- DIV 1 (Urban) – John Brownlee: Nothing new to report.
- DIV 2 (Rural) – James Trobert: Nothing new to report.
- DIV 2 (Urban) – Lindsay Clark: Nothing new to report.

Dear Mayor Parks and Whitewood Council,

I hope this email finds you well.

Over the past months the [National Police Federation](#) (NPF), attended both the SARM and SUMA conferences where we got to meet many municipal leaders.

During our conversations, many municipalities expressed concern or had numerous unanswered questions regarding the creation of a Saskatchewan Marshals Service (SMS), including ourselves. Many Mayors and Councillors felt they had not been consulted by the province given that it's been two years and \$14 million has been earmarked to the SMS already.

Recently, the NPF conducted polling (attached) that found Saskatchewanians feel the same. An overwhelming 80% of Saskatchewan residents were satisfied with the RCMP's policing. The same poll revealed that three times as many individuals would prefer to see \$20 million invested in RCMP services, rather than into the creation of the SMS. We will be conducting another poll in a few months to track this sentiment.

During our conversations at SARM and SUMA, many municipalities expressed interest in signing a joint stakeholder Call to Action letter urging the provincial government to reconsider the creation of the SMS.

We have drafted a Call to Action (attached), for your review and consideration. Our goal is to get as many municipalities and public safety stakeholders to sign on and release publicly during the Summer in a joint effort. The format of the letter would include all the logos of the municipalities/stakeholders who sign on.

**If you are interested in signing onto the Call to Action, please reply to this email and include your logo for use which will be added to the Call to Action, before June 1, 2024.**

If you have any questions or would like to meet to discuss further, please don't hesitate to reach out.

We believe that by working together, we can effectively address the challenges facing law enforcement while upholding the trust and confidence of the communities we serve.
