

WHITEWOOD

NOW HIRING: RECREATION TECHNICIAN

Ever dreamed of driving a Zamboni? Now's your chance — plus a whole lot more.

As kids, we all imagined cruising across the ice like arena royalty... but the **TOWN OF WHITEWOOD** knows the arena doesn't run on smooth ice alone. We're looking for a **RECREATION TECHNICIAN** who's ready to keep our facilities running, our rink shining, and our community smiling.

This role is perfect for someone who loves hands-on work, takes pride in a job well done, and enjoys being part of the heartbeat of a small town.

What You'll Be Doing

This job is *way* more than driving the Zamboni (though yes, you'll get to do that too). Duties include, but aren't limited to:

- Daily upkeep and operation of recreation facilities
- Ice maintenance and arena operations
- Facility cleaning and general maintenance
- Customer service and supporting user groups
- Working both independently and as part of a team
- Prioritizing tasks in a busy, multi-purpose environment

Experience with equipment operation and repair is an asset, as is experience in a multi-use recreation facility.

What You Bring

- Minimum Grade 12 or GED
- Valid Class 5 Driver's License
- Ability to work independently and collaboratively
- Strong organizational and time-management skills
- A positive attitude and pride in community spaces

What We Offer

- **Competitive wages** (including a new wage adjustment)
- **Full benefits package**
- **Municipal pension plan**
- A supportive team and a community that appreciates your work

Application Deadline

Until Filled. Only applicants selected for an interview will be contacted.
